

Metro League

Expressions of Interest—Senior High School Teams

Metro League is a volleyball competition that is a fun but competitive league ideal for those who are looking to develop their skills. It's ideal for school teams wanting to gain some game or competition experience leading up to events such as schools cup.

In term two, we will run the division for High School Volleyball teams. During The rounds the teams will play all other teams including the adult teams. But, during the final rounds the teams will only play other high school teams.

This competition would provide a good level of game practise for those teams preparing for Queensland Schools Cup in August and match practise for those players preparing for National Juniors Championships in July.

The next season starts on **Monday 10 May 2010**.

To register your interest, please complete this form and nomination form and send it back to Easts Volleyball.

Thanks!
